

## **Travel the World Through Books**

### **Literacy Incentive Program**

#### **preK-2<sup>nd</sup> Grade**

**Travel the World Through Books** is a literacy incentive program. Students will be given fake passports and the passports will be used to track reading progress throughout the year. The passport will also be used to earn prizes. As a student's reading improves, record it in his/her passport and allow them to get a prize in the library closet when a child goes to the library. A list of books and their Guided Reading Levels will be available in the library for students who want to check out books at his/her reading level.

**Each child will receive a passport and volunteers will put their picture in it**

**Every six weeks, record their reading level by GR and AR in the attached document**

**When a student's reading improves and he/she moves up a reading level:**

1. put a sticker in the passport, ,
2. write in the reading level,
3. date and initial next to the sticker
4. THEN allow the child to go to the librarian to pick out a prize from the bin of their reading level or below

**Passports:**

1. must stay in the classroom unless going to the library
2. should never go home
3. should be returned to Ms. Breeden the last week of school

**Please contact Marnie Glaser at 214-282-8707 or [marnieglaser@yahoo.com](mailto:marnieglaser@yahoo.com) if you have questions or would like help implementing a TREAD program at your school.**
